#### MEMBERSHIP

New Membership List -51 members

Family Members

Individual Members-21

Expect a surge of membership in the spring. Our membership has remained stable and we have a core group of members that are working and coming to trials.

#### FINANCES

Balance is \$3797. Started the year with \$7400. That includes the party, awards and some airfare and other trial expenses.

Greg would like to see a standardized format for a report from her. A more itemized list would be more helpful.

A budget for the year is being formulated and will finalized in the coming weeks. Greg gave some suggestion that he would like to see on the budget for quarterly income and year to date.

#### SUCCESS OF PARTY

Lin gave us a report about the party. The accounting for it could be better. The party itself was outstanding. Greg questioned the necessity of the bar but Lin and Karin mentioned that for the money it was a nice touch.

#### PAPERWORK & TRANSITION

NADAC paperwork has been filed. Annual list and resident agent form and address change has been filed with the state with an optional address of the club PO Box.

#### CALIFORNIA PARTY

There are 3 people that need to receive awards so the necessity of the party is in question. Jack & Joanna went out of their way to make sure the membership knew what was going on so we should make a big deal of it by this point. So a party won't happen.

#### DOG DAZE OPTIONS

Kim Munoz is concerned about R2R's members that will be available for the event. She suggested we could put on some type of contest for the event. We discussed our loyalty to the event and felt that we don't get enough out of it or that it is a money maker for the club. We decided not to participate in the event this year. It was moved and voted on that we concentrate our efforts of participating in the NV State Fair that MDT/AA will be organizing.

## FUTURE TRIALS

The change in trial application fee is effective January 1, 2004 so it is of no use for us to pay for our trials this far in advance. Our 2005 trials are on the calendar and we have a judge for our 2005 June trial. Karin would like to see a summer new classes one day trial in Truckee

## CURRENT TRIAL UPDATES

The May trial is half-full. The April trial is about 2/3 full. Cherie is helping PK with the June premium and it will go out the second week in March. Karin mentioned that we only have half the park rented and may need to share the space with the public. The park in Reno is more expensive than at Fuji. Hopefully, things will change. Karin will have a discussion with the County about the park so we understand what is going on.

## NEXT GENERAL MEETING

The next general meeting will be on the Friday night before PMC, April 16 @ 6:30.

## DONATION SCHEDULE FOR 2004

Sacramento SPCA	\$500
SCAF	\$500
Reno SPCA	\$500
PMC	\$500

Greg brought up that R2R could sponsor the reception at NADAC Championships. There was discussion about what the cost would be. Greg will contact Sharon.

## SUMMER PARTY

Finding a date has been difficult. MDT/AA has a trial that date this year. September 18-19 has been tentatively set.

## DEFINE FAMILY MEMBERSHIP

Joining with your spouse is a family membership. The same household is a family membership.

## CPE CARDS

Debbie Lean brought up whether or not we are still making CPE cards. We are continuing to maintain our CPE membership. It was decided that we could easily keep doing the CPE cards but Cherie would like to see someone else take over the duty. She is happy to train them. Debbie Lean was suggested and we will ask her if she is willing to take that on.
