Ready 2 Run Agility Club will not be responsible for the loss or damage to any dog exhibited or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care, custody, and control of its owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dog(s) and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site. In such case, no refund of fees paid will be made.

- All dogs must be on leash when not competing in the ring.
- Safety shall always be the foremost consideration in actions and conduct by handlers at all times.
- Please clean up after yourself and your dog.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.

Categories

Each class contains two categories, Proficient and Skilled. A dog may only be entered in ONE category per weekend. In the Skilled Category, dogs **must** jump 4" lower than indicated by the current jump height table. (No dog may jump less than 4").

In the Regular Agility Class, dogs entered in the Skilled Category may incur 5 or fewer faults, and earn a 5 point qualifying round. In the Proficient Category a qualifying round must be clean and will earn 10 points. There is no 5 point qualifying round in the Proficient Category (*Please refer to www.nadac.com for the latest information and explanation of the Skilled and Proficient categories*).

Non-Jumping Classes—Veteran or Disabled Handler: Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACagility@yahoo.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACagility@yahoo.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
