YOUR JUDGE'S BRIEFING FOR DECEMBER 11-12, 2021 TRIAL

Dear Exhibitor,

Welcome and thank you for having me judge.

NADAC specific reminders. Full Rule Book at: <https://www.nadac.com/>

1. There will be a copy of the NADAC Overview and Rule Updates Information Sheet on the main club table. You are all encouraged to look it over. If you have any questions, you can always ask me. It lists the more recent rule changes, updates, and further NADAC general information.

2. Once in the ring, wait for me to say "Good Luck before removing your dog's leash.

3. Remember dogs run naked in NADAC, so no collars when your dog is running the course, but make sure your dog is leashed and under control before exiting the ring.

4. You can run with food and toys, but they must be in a secure container and in your pocket until you are at least 10' outside of the ring.

5. As of Jan 1st, 2021, handlers may carry a small leash (no harnesses) with them during their run. The leash must be secured in a pocket or fanny pack, in a way that it will not dangle or fall out of the pocket. Or the leash can be looped around the shoulder or waist, but not hanging from the neck. The handler cannot carry the leash in their hand during the run. The leash must be secured or on the ground before the dog or handler passes the plane of the first obstacle. Handlers still have the option of dropping the leash on the ground for the leash runner to pick up.

6. Training in the ring is allowed. If you choose to train, it will be an Elimination. You will then have 1 minute of total course time after which I will kindly ask you to exit the ring. If at any time during your 60 seconds, I feel that you or your dog is acting in an unsafe manner, I will ask you to exit the ring immediately. Examples of training in the ring could be: redoing a contact obstacle, or crossing the plane of the start obstacle after leading out past it.

Also, thank you to everyone for volunteering. Without your help with ring crew and course building we could not run the trial. You are all important and so appreciated. Thank you!

And finally, remember NADAC's mission includes safety, good sportsmanship and teamwork as top priorities. Let's all strive to enjoy our dogs, support our fellow competitors and have a fun, safe trial. Good luck to all of you!

Sincerely,

Dan Roy

WORKERS: Please sign up on the white board by the ring. Remember it's important that everyone pitch in some to help the trial keep rolling. There will be a worker raffle for prizes.

Thanks in advance for everyone volunteering!

MOVE UPS/DAY OF ADDITIONS: Move up's must be turned into the score table as soon as possible. Additions must be added at the score table before the class you wish to add is finished walking. Day of Entries will be \$15.00 a Run.

RIBBONS: These will be self-serve. Please only take them if you plan to keep them. We know some folks like to take them for pictures and return – we'd prefer not to do so during COVID. Please also use the available wipes or hand sanitizer to clean your hands when touching the ribbon boxes.

NATCH CELEBRATIONS! If you might earn a NATCH at this trial, please let us know, so we can be prepared to celebrate with you! Poles & ribbons will be available. If you sign a NATCH pole, please be sure to clean the pens after each use.

HOSPITALITY: Unfortunately, our normal morning hospitality and lunches CANNOT be hosted during COVID. We will have minimal individually wrapped snacks, but you should plan on bringing everything you need for you and your dog including food and drinks.
