Your help is needed on Friday morning to set up. We are not able to access the arena at Ironwood on Thursday evening, so the equipment trailer will be there on Friday morning at 7:00 AM. If you can help unload before you set up your crates etc. that would be very much appreciated. Ready 2 Run Bucks for all who help!

Same thing on Sunday afternoon...we're grateful for anyone who can help load the trailer after the trial.

WORKERS: Please sign up on the white board by the ring. Remember it's important that everyone pitch in some to help the trial move along smoothly. Similar to our April trial, we will be doing a traditional raffle with tickets given to volunteers to place into the raffle for whatever item(s) you are hoping to win!
Thanks in advance for volunteering!

MOVE UPS/DAY OF ADDITIONS: Move up's must be turned into the score table as soon as possible. Additions must be added at the score table before the class you wish to add is finished walking. Day of Show Entries will be \$15.00 per Run.

RIBBONS: Placement and Qualifying ribbons will be self-serve.

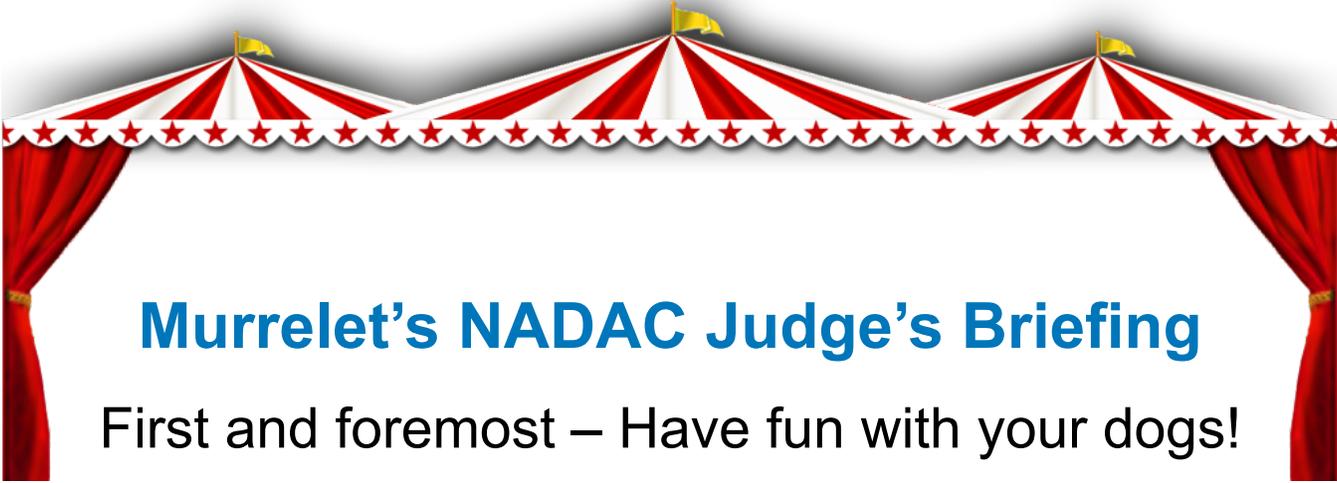

NATCH CELEBRATIONS! If you might earn a NATCH at this trial, please let us know, so we can be prepared to celebrate with you presenting a ribbon and a pole (if desired).

HOSPITALITY: We will have a scaled back hospitality table with various individually wrapped snacks as well as bottled water. Beyond snacks and water, please plan on bringing everything you need for you and your dog.

PHOTO OPPORTUNITY: Don't forget to take a picture of your pups this weekend. Thanks Mike Fish and Paulette Couture for setting up such a fun photo opportunity. Be sure to share it on social media too!

IRONWOOD FACILITY RULES...

1. Dogs are to be leashed at all times unless in the ring, or in a designated off-leash area. They are not allowed in any of the staff areas or in the bathrooms.
2. Make sure gates are secure when using any of the outdoor arenas.
3. Horses have the right-of-way. Please do not let your dogs chase or harass the horses.
4. Exhibitors are not to use the dirt planters to potty their dogs. Dogs are to be walked on-leash to the bare dirt, sagebrush areas to potty. If at all possible, do not allow your dogs to potty on any grass.
5. Pick up after yourself and your dogs.

A decorative graphic at the top of the page features a red and white striped circus tent with yellow flags on top. The tent is flanked by red curtains with gold tassels. The background behind the tent is a soft, glowing white light.

Murrelet's NADAC Judge's Briefing

First and foremost – Have fun with your dogs!

1. Once in the ring, wait for me to tell you “Good Luck” before removing your dog’s leash
2. Please make sure your dog is leashed and under control before exiting the ring.
3. You can have the gates closed with no penalty
4. You can run with food or toys, but they must be in a secure container and in a pocket until you are 10’ outside of the ring after your run
5. Training in the ring is permitted. If you chose to train, it will be an elimination. You will have 1 minute total of course time then I’ll ask you to exit the ring. Examples of training in the ring could be: redoing a contact obstacle, or crossing the plane of the start obstacle after leading out past it. If at any point during your 60 seconds I feel you or your dog are acting in an unsafe manner, I will ask you to exit the ring immediately.
6. Handlers at all levels may bring a toy in the ring for training. This must be declared at the start of your run. This is an automatic “E”, but it can be an “E”xcellent training choice!
7. Dogs are allowed to hold or tug on their leash at the end of their run. If it is disruptive and noisy, I might have a word with you about that. Please leash your dog quickly at the end of your run.
8. There are multiple leash options. You can have it placed on the ground, or a chair or leash holder. You can also carry your leash. Your dog cannot target the leash like a toy during your run, and it can’t interfere with your ability to safely navigate the course. Here’s some options:
 - You can have it in your pocket or a fanny pack
 - Safely tied around your waist (not dangling)
 - Clipped to itself and slung across your shoulders
9. Thank you to everyone volunteering today! Without your help with ring crew and course building we couldn’t run the trial. You are all important and so appreciated! Thank you!
