We will have a worker drawing the end of the weekend for some **INCREDIBLE** prizes.

And, don't forget, we also need help on Sunday Loading the Equipment Trailer so please do plan to stay to help on the other end as well...

Briefing from our Judge, Marj Vincent:

- Thank you for inviting me.
- 1) Please be sure to have your dog on a Leash, coming in and going out of the ring.
- 2) Please wait for the 'Good Luck' from the judge before removing your leash to start your run.
- 3) Be sure to be on time at the start line. If you are not sure when to go in, the gate steward will tell you when to go in.
- 4) Leash runners...be sure to present an open leash to exhibitors and do not attempt to leash up the dog, unless you are the leash buddy for that person.
- 5) Training in the ring: if you decide to bring a small, non-audible toy in the ring, please declare it before you start your run. You will have 60seconds to train.
- 6) Thank you to everyone volunteering at this event.
